

Call for artists & creatives who work in textiles

A Call for art objects which are soft to the touch -

batik, crochet, cross stitch, felt, fibres, knit, lace, macreme, quilting, tatting, trampo....

for an exhibition of the softer talents in Walthamstow.

Celebrating the comforts of handmade creations, SOFT will showcase how softness can be strength.

Applications available online. Submit at The Mill or The Significant Seams Hub in Wood Street Market, with the suggested submission fee (£5), by 7 June 2012.
